Chapter 2: Blueprints and Barrels – Your First Game

⊗ This blueprint (self) is not a TextRenderComponent, therefore 'Target' must have a connection.
⊗ The current value of the 'Value' pin is invalid: 'Value' must have an input wired into it ("by ref" params expect a valid input to operate on).
! [0076.18] Compile of Hello_Sphere_Blueprint failed. 2 Fatal Issue(s) 0 Warning(s) [in 216 ms]

Detailed description: This is a color picker dialog box. At the top, there is a text field 'Drag & drop colors here to save' and a checkbox for 'sRGB'. The main area features a large color wheel on the left and two vertical sliders (one for lightness, one for saturation) on the right. Below the wheel are 'Advanced' settings for RGB, HSV, and Alpha. The RGB values are R: 4.0, G: 2.948, B: 0.0. The HSV values are H: 44.0, S: 1.0, V: 4.0. The Alpha value is 1.0. A 'Hex' field shows 'FFFF00FF'. There are 'Old' and 'New' color swatches, a color wheel icon, and an eyedropper icon. At the bottom are 'OK' and 'Cancel' buttons.

BodyColor
 Param (0.45,0.406,0.362,0)

A control panel for the 'BodyColor' parameter. It features a central color preview window showing a greyish-brown color. To the right of the preview are five circular color selection buttons: white, red, green, blue, and grey.

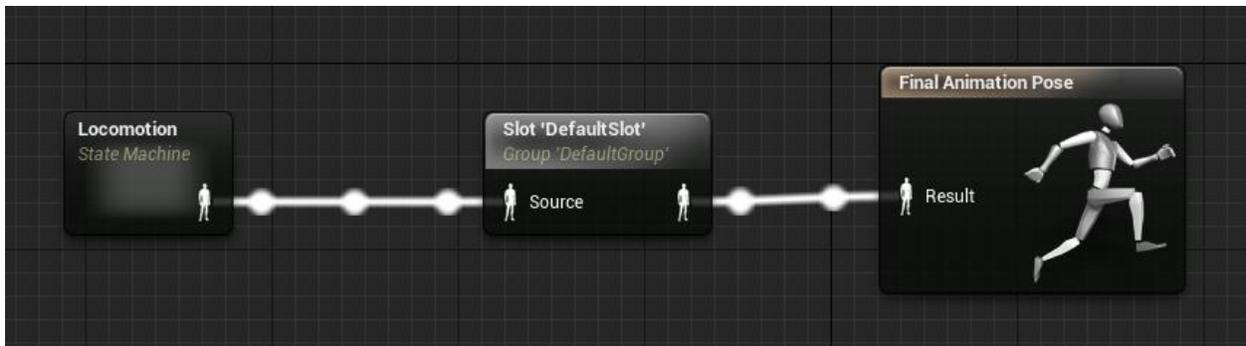

Montage

Montage Group: 'DefaultGroup'

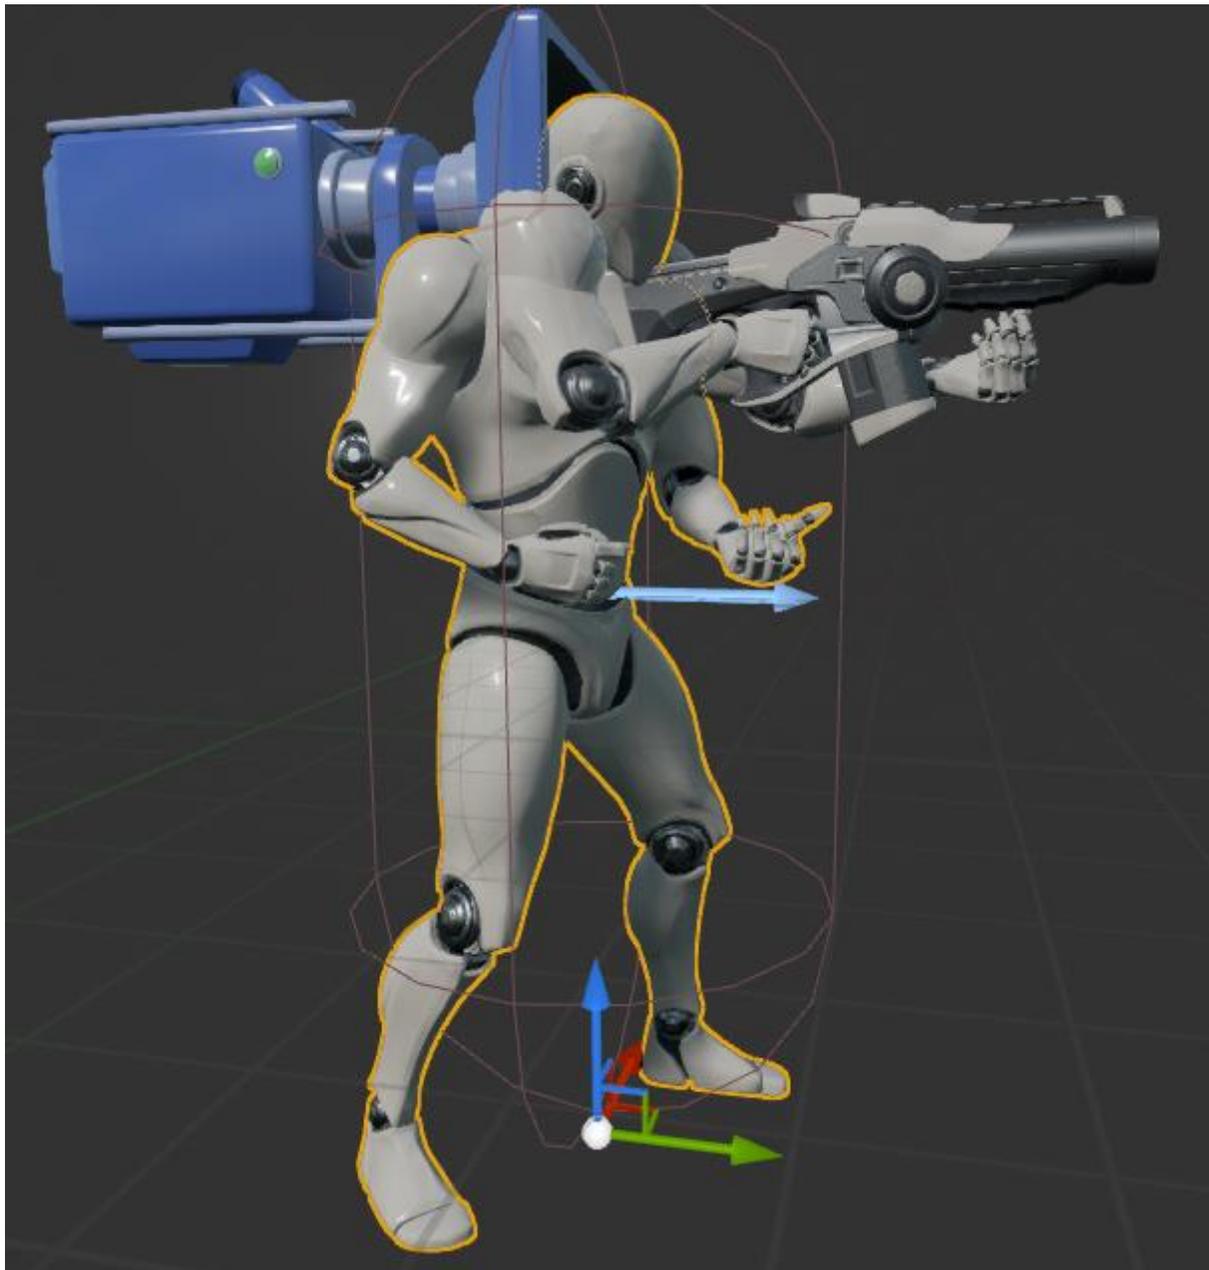

Default						
Fire_Rifle_Hip						

DefaultGroup.DefaultSlot

A montage editor interface showing a 'Montage Group: 'DefaultGroup''. It contains two tracks: 'Default' and 'Fire_Rifle_Hip'. The 'Fire_Rifle_Hip' track is highlighted in green. A red vertical line indicates the current time position. A dropdown menu shows 'DefaultGroup.DefaultSlot' and a search icon is visible.
